

## Submission checklist

The following list will be useful during the final checking of an article prior to sending it to the journal for review. Please consult this Guide for Authors for further details of any item.

Ensure that the following items are present:

- The Manuscript is typed in double spacing with margins of 3 cm on one side of A4 paper.
- Separated title page with concise title, author names and affiliations, details of corresponding author, including e-mail, telephone, and postal address is prepared.
- The main text should be free from the authors' information (names and affiliations) for blind review purposes.
- Abstract are written in both Korean (limited to 1,000 characters) and English (limited to 400 words) with 5 keywords of each language. A Korean abstract is unnecessary when the text is written in English.
- The Organization of major sections in text includes introduction, method, results, discussion, conclusions, acknowledgement, references and figure and table caption list.
- Manuscript has been 'spell-checked' and 'grammar-checked'.
- References are listed in alphabetical order by authors' surname and year published.
- All references mentioned in the Reference list are cited in the text, and vice versa.
- All figure captions are written in English.
- All tables (including title, description, and footnotes) are prepared in English.
- If only color on the Web is required, black-and-white versions of the figures are also supplied for printing purposes.
- If there are any figures or tables from other publications, it is the sole responsibility of the corresponding author to have appropriate approval for the use and to cite the corresponding reference.
