The copyright of the manuscript identified above and any supplemented tables, illustrations or other information submitted therewith is referred here as “Article”. To avoid any delay in the publication of accepted “Article” in the “Economic and Environmental Geology”, authors hereby assign to the “Korean Society of Economic and Environmental Geology” in the following agreement regarding the copyright transfer.

### - AGREEMENT -

1. This “Article” does not infringe the copyright of other “Article”.
2. The publisher of the “Economic and Environmental Geology” and author(s) of the “Article” have a right to claim any copyright infringement activity without permission
3. The copyright of the “Article” in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright and all extensions and renewals thereof, will be transferred to the “Korean Society of Economic and Environmental Geology” and be effective when and if the article is published.
4. I am one author signing on behalf of all authors of the article.
